GUARANTEED ANALYSIS

Calcium(Ca) .........................11.00%
Sulfur(S) ............................. 9.00%
  9.00% Combined Sulfur(S)

Derived from: Calcium Sulfate

RATIO OF Ca:S  1.2:1

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: 2 X 2.5 GAL.
GENERAL INFORMATION:

EXCHANGE is an effective source of Calcium and Sulfur for use in golf and sports turf applications. Micronized Calcium Sulfate contained in EXCHANGE assures rapid utilization by the plants and by alkaline soils. EXCHANGE is also effective in increasing the permeability of soils and reducing soluble salts.

FIRST AID:

IF IN EYES: Flush eyes with water for at least 15 minutes. If irritation persists, seek medical attention.
IF ON SKIN: Wash thoroughly.
IF INGESTED: Give Milk of Magnesia and contact physician or Poison Control Center. Do not give anything by mouth to an unconscious person.

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: 2.5 GAL. (9.46L)
NET WEIGHT: 28.0 LBS. (13.62 KG)

DIRECTION FOR USE:

To increase soil permeability:
Apply 1-2 qt of EXCHANGE/1,000 sqft in sufficient water to apply material evenly to application site. Water after application with 1/8 inch of water to move material into soil profile. Applications should be done in conjunction with soil aeration treatments or as needed in between treatments to help refloculate the soil profile.

To lower sodium content of soils:
Apply 1-2 qt of EXCHANGE/1,000 sqft in sufficient water to apply material evenly to application site. Water after application with 1/8 inch of water to move material into soil profile. Make at least 2 applications per year at 1-2 month intervals during the growing season. Continue programs as needed based on soil conditions. To overcome the effects of high Sodium water, apply 1/2 pt - 1 qt EXCHANGE/1,000 sqft twice monthly for a 5 month growing period. Do not apply more than 10 times per year. Do not apply more than 3 gal of EXCHANGE per year, EXCHANGE may be applied in combination with other fertilizers, pesticides or micronutrients, unless specifically prohibited by the labels.
